HAPPY NEW YEAR!

"We cannot approach the manger of the Christ child in the same way we approach the cradle of another child. Rather, when we go to his manger, something happens, and we cannot leave it again unless we have been judged or redeemed. Here we must either collapse or know the mercy of God directed toward us." - Bonhoeffer

We grieve with the family of President Jimmy Carter, who (whether you agreed with him or not), strived to be the hands, feet, and image of Christ in this world! A selection of the works of Jimmy Carter are available in the Narthex for those who would like to read them.
